## **NOTICE TO RESIDENTS**

### **Pond St. Water Main Replacement**

The Town of Holbrook has entered into a construction contract with Celco Construction of Pembroke, MA to replace the existing water main in the Pond St. area.

We anticipate that construction activities will commence on Tuesday, October 11, 2016. The construction period will be Monday through Friday (non-holidays) and typical work hours will be between 7:00a.m. - 4:00p.m. Construction activities in the roadway will entail various equipment, machinery and materials. Roadway trenches will be paved each Friday. The Police Department will close down Pond St. to through traffic, but will remain open to local traffic, school buses, trash vehicles and emergency traffic. Residents will always have access to their driveways. Please exercise caution while operating a motorized vehicle in the construction area. Additionally, please keep children and pets at a safe distance from any construction activity.

We appreciate your continued cooperation during this very important public works construction project. If you have any questions, please contact Noreen Jordan at the Public Works Department: 781-767-1800 between 8:00a.m. - 4:00p.m.

Benjamin F. Ecord, Superintendent  
Public Works Department
